Tacora Resources Inc. Announces Closing of Tack-On Senior Secured Notes Offering

Montréal, Québec, February 16, 2022 – Tacora Resources Inc. ("Tacora") today announced that it has successfully completed the offering of \$50 million aggregate principal amount of its 8.250% senior secured notes due 2026 (the "New Notes"). The New Notes are an addition to the \$175 million principal amount of 8.250% senior secured notes due 2026 that it issued in May 2021.

The net proceeds from the New Notes, after payment of related costs and expenses, will be used by Tacora for general corporate purpose and to increase liquidity.

"This additional capital gives us protection against an unexpected decrease in iron ore prices during 2022 as we complete the ramp up of the Scully Mine to full run rate capacity during the second half of the year," stated Joe Broking, President and Chief Executive Officer.

Jefferies LLC acted as sole book-running manager for the offering.
